IMPORTANT TO EVERYBODY.

FOR the last three years I have been engaged in a business, known only to myself, and comparatively a few others, whom I have instructed for the sum of $5 0 each, which has averaged me at the rate of from $3,000 to $5 000 per annum, and having made arrangements to go to Europe next Spring, to engage in the same business, I am desirous of giving full instructions in the Art to every person who will remit me the sum of ONE DOLLAR I am induced from the success I have been favored with, and the many happy acknowledgements I have received from those I have instructed in the Art, and who are now making from $10 to $25 per day, to give every person a chance to come into possession of this valuable means of making a small fortune There is no HUMBUG about the business herein alluded to References of the best class can be given as regards its character, and I can also refer to persons in Philadelphia as well as in this city, who have within four months embarked in the business, and who will testify that they are making from $8 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage and with perfect ease make a very handsome income Several ladies in various parts of Pennsylvania and Maryland whom I have instructed in the Art are now clearing from $3 to $6 per day It is a Genteel Business, and but a few shillings are required to start it Upon receipt of $1,00, I will immediately send to the applicant a printed circular, containing full instructions in the Art, which will be perfectly understood upon being once read

THE various man hunting escapades which have within the last few years, been made into the North and the numerous trials, including the Jerry, the Sims, the Burns, and similar cases, and the crowning act of infamy enacted by
JUDGE KANE UPON PASSMORE WILLIAMSON
have excited the profoundest indignation and alarm The Publishers believe, therefore that this amply attested and clearly drawn record of what judges have done will lead the people to see what, if unchecked, judges may still do

It is with much pleasure that I recommend Mr E T Hurlbut as a Piano Forte tuner and regulator for my that he is an excellent tuner, I can not do him justice for I can without hesitation say that he is capable of tuning a Piano as near to perfection as it is possible for a Piano to be tuned but the greatest recommendation for him is the unusual length of time which his Piano tuning retain in tune I have never, either in Europe or America, met a man whom I would so cheerfully and with so much confidence employ to tune or regulate a Piano Forte as Mr Hurlbut, and as cheerfully recommend him to all who want Pianos tuned

News of the Morning.

We have the news this morning of the defeat of Faustin, Emperor of Hayti, with an army 30,000 strong, by a small force of Dominicans. Neither branch of our Legislature was in session yesterday. Extreme cold weather still prevails on the sea-board. Nothing of moment from Washington. Several interesting communications will be found in this morning's paper, and a variety of intelligence in the Telegraph and Local columns. The New York Market and our own were quiet and firm, Saturday.

Assaults Upon the Supreme Court.

The example set, some time since, by the Madison *Argus*, official organ of the usurping Governor, in its vindictive attacks upon Chief Justice Whiton, finds ready imitators among the other Barstow presses. Their obvious game now is to weaken the authority of the Court and prejudice it in the eyes of the people, by unfounded imputations and scurrilous assaults. In pursuance of this plan of operations, the *News* of Saturday permits an anonymous correspondent to traduce the members of the Court in this wise:

> Two of the Judges of the Supreme Court, Whiton and Cole, were elected on a *political ticket hostile* to Governor Barstow, and the other Judge, Smith, is interested in common with the Sentinel of this city, to oust Barstow. Judge Smith is the *reporter* for the Supreme Court.—Bashford is in favor of taking a very large number of volumes of Judge Smith's reports for the use of the State at a high price. Barstow is opposed to taking them.

This is one tissue of falsehoods. Judge Whiten was *not* elected "on a political ticket hostile to Gov. Barstow," but on an *independent* tickets nominated as such, composed of candidates from different parties, and voted for by men of all political persuasions. Mr. Bashford is in favor of taking no more volumes of the Supreme Court Reports, than is now provided by law, and the law fixing the number, was signed and approved by Wm. A. Barstow. The price too, as well as the number, is fixed by the same law. In short, this charge of the *News* correspondent is a wholesale fabrication.

It is a fair sample, however, of the style of attack in which the more reckless and brazen-faced partisans of the mock Governor now indulge towards the Supreme Court. The fact that Wm. A. Barstow holds the office of Governor of Wisconsin, by a series of the most villainous and unparalleled frauds upon the ballot-box, can no longer be denied. The specific outrages, of which abundant proof exists, have been spread before the people. Even the hardiest of the Barstow press remain *silent* under these allegations. They know, as we know, that the charges are true, and that they will be proved to the entire satisfaction of every honest man in the State, if the Supreme Court furnishes the desired opportunity.

They dread, as well they may, the results of the investigation which the friends of Gov. Bashford demand. Their only hope is, to prevent that investigation altogether, or so to protract it, as to defeat the object for which it is entered upon. Hence the questions as to the jurisdiction of the Supreme Court. Hence these envenomed and scurrilous assaults upon the Judges. Hence the efforts to hinder and embarrass the progress of the suit. Hence the various shifts and devices to promote delay and prevent action. They fear the Light. They seek for anything but Justice. They cannot stand a rigid scrutiny. *Conscious guilt* is stamped upon every move they make.

But Artful Dodgers as they are, they cannot escape. The spirit of the people is up! The avenger is on the track. Every particular of those infamous and audacious frauds upon the Ballot-Box, whereby the will of the people was defeated, and the rightful Governor of Wisconsin defrauded of his post, will be exposed to the light of day; and the authors and instigators of these high crimes; as well those who forged and falsified the election returns, as those who counselled or profited by the wrongs; as well the apologists and abettors of these villainies, as the men who actually committed them, will be held up to the blasting indignation of the people and pilloried for all time as enemies and traitors to our Republican Institutions.

FROM MADISON.

Editorial Correspondence of the Sentinel.

Madison Jan. 24. 1856.

The bill in relation to the division of Marquette county bears a different aspect to day. (It went to a select committee in Senate to day, on Mr. Kelsey's motion.) Whatever desires may actuate that Senator, or whatever laudable ambition he may have to make Montello a county seat, I am inclined to think—indeed I know—that there is also a concurrent desire to make Berlin a County seat, by some after legislation. Nobody out of the counties involved need have any further interest in the subject than the people of those counties, and the members from them seem to be united in sentiment; and I do not hear of any opposition here. The manner in which the bill was rushed through the Assembly, however, gave the project a bad look; and without some full manifestation of the desires of the people, by petition or otherwise, it does not seem proper to send them to voting on ten days or two weeks notice. So far as I see now, there does not appear to be any reason for a partisan rally on the subject on either side, and the bill will doubtless pass.

The Republican members of the Legislature at their meeting last night, designated by particular request the following gentlemen as delegates to the Pittsburgh Convention, at the same time not assuming to restrict the representation from this State to the persons named, inasmuch as the meeting is an informal one, for consultation and not nomination.

First Congressional District, Charles Durkee, C. C. Sholes, W. Spooner, N. H. Dale; 2nd District, C.C. Washburn, Jno. Bracken, Geo. B. Ely, C. Armstrong; 3d District, C. Billinghurst, T. O. Howe, C. C. Bailey, Geo. Griswold. The delegates were empowered to appoint substitutes.

The ballots to-day for President pro. tem., of the Senate, resulting in the election of Mr. Harvey, we give below. Mr. Harvey is a thorough Republican, of long experience in legislative business, and the compliment to him is well deserved:

1st ballot, (Republicans in Italic.)—For Sholes: Barns, *Clement*, Dunn, Fitzgerald, Gernon, Gibson, Hadley, Kelsey, Rose, Weil—10.

For Taylor: *Adams, Barber, Cobb, Dexter, Giles, Harvey, Pier, Worthington*—8.

For Harvey: Smith, *Sutherland, Taylor*—3.

For Clement: *Mills, Sholes*—2.

For Smith: Gill. No election—13 required.

2d ballot.—For Harvey: *Adams, Barber, Cobb, Dexter, Giles*, Gill, *Pier*, Smith, *Sutherland, Taylor, Worthington*—11.

For Sholes: Barns, *Clement*, Dunn, Fitzgerald, Gernon, Gibson, Hadley, Kelsey, O'Neill, Rose, Weil—11.

For Clement: *Mills, Sholes*—2.

For Taylor: *Harvey.*

3d ballot.—For Harvey: *Adams, Barber, Cobb, Dexter, Giles*, Gill, *Mills, Pier*, Smith, *Sutherland, Taylor, Worthington*—12.

For Sholes: Barns, *Clement*, Dunn, Fitzgerald, Gernon, Gibson, Hadley, Kelsey, O'Neill, Rose, Weil—11.

For Clement: *Harvey, Sholes*—2.

4th ballot.—For Harvey: *Adams, Harvey, Clement, Cobb, Dexter, Giles*, Gill, *Mills, Pier*, Rose, Smith, *Sholes, Sutherland, Taylor, Worthington*—15.

For Sholes: Dunn, Gibson, *Harvey*, Kelsey—4.

For Dunn: Barns, Fitzgerald, Gernon, Hadley, Weil—5.

For Hadley: O'Neill.

So Mr. Harvey was elected, and inasmuch as without the Republican candidate voting himself, there would be no majority, we have to thank Messrs. Gill, Rose and Smith for aiding in the result.

In relation to the decision given in Supreme Court to day, it must remain for lawyers to express legal opinions in regard to it. No one on our side but feels that the Court has acted as we all felt that it would act, in accordance with its convictions of what is law and legal right. However that may be, it is none the less fact that we have here another illustration of the manner in which the law does injustice in individual cases. If anybody in this broad State supposes that Mr. Bashford's rights are safe in the hands of, or that the case will be pushed with that speed which the people who are defrauded out of their elected Governor have a right to demand, by Att'y Gen'l Smith, he must have a tenderness of apprehension equal to a feather-bed, and be sweetly unaware of the quibbles and quirks of the law by which, on various pretexts delay may be gained. Whether or not, in such a state of the case, Mr. Bashford who represents the Republicans who elected him by legal votes, will feel called upon to subject himself to the heavy costs to which his opponents, the Attorney General and Mr. Barstow's counsel will assuredly put him; or whether he will choose to abandon the suit, and lay before the people the case which he has prepared, showing evidence of the shameful frauds by which he was cheated, I do not know. Were I a millionaire, and in his case, I would push the suit to the end. Were I in his case and like him possessing but moderate means; I do not know how far I should dare to rely upon sufficient active—pecuniary—sympathy, "aid and comfort" from my Republican friends, with which to prosecute the suit.

We shall see what the course is shortly.

W. H. W.

[This letter was delayed in the mail and should have appeared Saturday.]

Madison, Jan. 25.

Senate, A. M.—This morning, our venerable and honey-toned Senator Hadley, observing that two of the Republican Senators were missing, proposed to order by resolution, 2,000 copies of the Message, but somehow the remaining Republicans formed more than one third of the body, and so *two* thirds did not suspend the rules.—Strange infatuation!

The Marquette and Waushara division bill came up in a report from the select committee, favorable, but amending the bill so that the vote by the people is to be on the annual town election. The Snate refused to suspend the rules to put the bill on its passage, and ordered it to a 3d reading.

In the Assembly, several important bills have been introduced. Among the local bills is one to lay a Ward tax of 1 per cent. in the 5th Ward, Milwaukee. This has passed the Assembly.

Another of the bills is the charter of the "Milwaukee & Superior Railroad Co.,"—to build a road from Milwaukee, to Green Bay, running not more than 6 miles from the lake to Manitowoc, and from Green Bay, *via* Superior City, through Minnesota (by consent) to the Mississippi at or near Crowwing, &c. The Commissioners named are Timothy O. Howe, Geo. Reed, A. L. M'Crea E. Button, C. R. Alton, D. P. Hull, Juls. White (pretty good timber), and the Company is set down for a capital of $10,000,000, to organize when $200,000 is subscribed and 5 per cent. paid in. Such seem to be the principal features in the charter.

Another bill provides full security to persons investing in Railroad bonds and mortgages, in case of any question as to the validity of mortgages on rolling stock. The bill gives full validity to such mortgages.

Still another bill, and one of great importance to the people is one whose general features may be stated as *for the purpose of decentralizing* the great and overshadowing *money* power which has grown up here at Madison in the *State Land Office*, and of having the monies paid into and loaned from the treasuries of the counties in which the lands lie. A hasty glance at the bill has not enabled me to form any opinion as to how far it is calculated to carry out the object, or how well guarded for the safety of the vast interests concerned; but the importance of the object must strike the mind of every one, and probably all except those whose pockets are lined with pickings of various sorts from the present centre of business will see the justice of the movement. Let the people think it over. The more they think of it, the better will be their impressions of it.

Condition of the Wisconsin Banks.

We are indebted to the Comptroller's Office, at Madison, for printed copies of the abstract of the Reports made to that Department by the different Banks of this State and exhibiting their actual condition on the first Monday of January, in the present year. There are 32 Banks now in operation in our State, with capitals varying from $25,000 to $250,000. The following table embodies the main features of the abstract:

RESOURCES.

Loans and Discounts, except to Directors	$3,667,196,85
Due from Directors	100,510,48
Stocks deposited with Treasurer	1,170,422,93
Specie	531,718,44
Real Estate	94,261,34
Bills of Solvent Banks on hand	603,848,90
Due from Banks	368,161,32
Other Items	251,365,55
Total Resources	$6,8 0,831,19

LIABILITIES.

Capital	$1,870,000,00
Registered notes in circulation	1,060,165,00
Due Depositors on demand	2,806,841,31
Due to others, not included above	1,073,870,58
Total Liabilities	$6,810,851,19

The following summary of Capital, circulation, securities, &c., of the Banks of this State, on the 7th January, 1856, is appended to the abstract:

Capital	$1,870,000,00
Circulation	1,060,165,00
Deposits	2,306,351,61
Specie	531,718,64
Public Securities	1,130,422,93
Private Securities	3,936,043,14

One year ago the number of Banks organized in this State was 23; and the items of capital, circulation, &c., was as follows:

Capital	$1,400,000,00
Circulation	740,674,00
Deposits	1,481,506,54
Specie	320,914,07
Discounts	1,676,629,70
Aggregate of Resources and Liabilities	4,079,557,74

A comparison of the two tables, shows an *increase*, during the past year, of nine in the number of our State Banks, $170,000 in capital; $319,401 in circulation; $1,324,474,57 in deposits; $1,993,567 in loans and discounts; $210,799 in specie, and $2,730,834 in the aggregate of Resources and Liabilities. The comparison strikingly illustrates the rapid increase in the business of the State, and the abstract proves the sound condition and financial prosperity of our Banks.

Horicon Rail Road Bonds.—The communication of Messrs. Wm. J. Bell & Co., Bankers, of New York, in this morning's *Sentinel*, with the accompanying statements from other well-known Banking Houses in that city, amply justify Messrs. Bell & Co. in the course they took, with reference to the payment of interest on the City Bonds issued to the Milwaukee & Horicon Rail Road, and entitle them to the thanks of all our citizens for their prompt and neighborly action in the matter. It is at the same time quite clear that the Rail Road Company were not in fault, having made timely and sufficient provision for the payment of the January interest, at the Bank of the Republic.

Misery Loves Company.—The *Wisconsin* of Saturday copies the names of the gentlemen selected by the Republicans of the Legislature to represent Wisconsin in the forthcoming Pitts-Pittsburg Convention, and politely adds:

> The members overslaughed the desire of Rufus King, to be a delegate.

We were puzzled to know what prompted this outburst of neighborly sympathy, till we read, in the same paper, the following:

> Joseph Lathrop, of this city, has been appointed one of the Governor's Aids, with the rank of Colonel.

Alas for the "vanity of human wishes!" We are confidentially assured that this office had been promised to our brother Cramer, and now Mr. Barstow has cruelly "overslaughed his desire" to be a Colonel. No wonder that in his bereavement he turns to us for comfort. We sympathize in his disappointment, and think it too bad in "Joe" thus to steal a march on his boss.

Washington County Justice.—We invite attention to the communication of Mr. W. P. Barnes of Washington County, in to-day's *Sentinel*, showing up the Board of Supervisors of that County, and one in particular who very successfully proved himself a brute. We are unwilling to believe that any other County in our State could rival Washington in this disgraceful and inhuman conduct. Let us hope that the decent, respectable, law-loving portion of the community will take care that Mr. Barnes is not pecuniarily the loser, for bestowing the rites of sepulture upon the mangled remains of the miserable De Bar.

A Bad Habit.—The Madison *Argus* has, somehow, a constitutional failing which, perhaps unconsciously sometimes, prevents it from stating the truth in regard to matters in which political opponents are involved. Thus in its issue of Thursday evening, it says that the Supreme Court absolutely excluded Mr. Bashford's Counsel from the case; and, further, indulges in sundry absurd statements to the effect that the Senate enrolling Committee was delaying business by refusing to present bills to the acting Governor, and that a caucus of the Republicans had caused a change of policy in that respect. There is no truth, of course, in either statement.

☞ The Contested Seat case, from the Outagamie Assembly District, between Messrs. Bostedo and Brunquest was settled in the Assembly by *unanimously* admitting Mr. Bostedo. We see that the Milwaukee *Sentinel* is highly pleased at this decision, although Mr. Brunquest is a Republican.—*G. B. Adv.*

The *Sentinel* likes to see "fair play," whether Democrats or Republicans be the winners. Mr. Brunquest's claim to a seat was founded on the fraudulent Waupaca canvass; but though this was reason enough with the Secretary of State, for certifying him as the member elect from that district, in the official list, the Assembly *unanimously* reversed the Secretary's decision and gave Mr. Bostedo the seat to which the people had elected him.

The State Canvass.—We invite the readers' attention to the article from the Madison *Journal*, relative to the *unanimous* report of the Judiciary Committee of the Senate (3 Republicans and 2 Democrats) upon the official returns of the late election. It will be seen that by those returns, as sent in, Mr. Bashford had over 800 majority, saying nothing about any of the *frauds* which will be proved to have been committed in the canvass. We shall endeavor to find room for the whole report in our next. It is another and a significant point in the game.

Right.—At the Caucus of the Republican members of the Legislature, on Monday evening last, a resolution was adopted requesting D. E. Wood, Esq., who is now a member of the Republican State Central Committee, to resign, as he is connected with another and an antagonistic political organization, the Know-Nothing party.—We learn that one or two others of the Committee, who have been likewise claimed as Know-Nothings, have been invited to "define their positions."

Racine and Mississippi R. R.—Open to Delavan.—We learn by a telegraphic despatch from Racine that the cars on their western road commenced running to Delavan, Wolworth county, 46 miles from Racine, on Saturday last. The event is to be duly celebrated on Thursday next, the 31st inst.

For the Sentinel.

The Horicon Rail Road Bonds.

New York, Jan. 19, 1856.

To the Editors of the Milwaukee Sentinel.—

Gentlemen:—In your issue of the 14th inst. I observe a communication over the signature of J. B. Smith, Esq., President of the Milwaukee & Horicon Railroad Co., in reference to the payment of the interest of that Road, due here the 1st inst., in which we are charged with unwarrantable haste, in coming forward, as we did recently, to save the credit of the Road, and an intimation is thrown out that we acted under improper motives.

Without explanation, this communication is calculated to convey a wrong impression, and perhaps do us injury, and we beg the privilege of placing the matter in its true light.

On the afternoon of the 8th inst. we learned with much surprise that the Milwaukee & Horicon Road had failed to provide for the interest on the bonds due here on the 1st of January. We at once expressed our disbelief of the truth of the rumor, and went to make enquiry about it. We saw quite a number of persons who corroborated the report, and among them Messrs. Catlin, Alden, Hill, (Register of the Milwaukee & Mississippi R. R. Co. here,) and Atwood, (banker for several of our Wisconsin R. R. companies.)

One of these gentlemen had made enquiries himself, at all the Banking Establishments in the city, where he had known the Road to have had dealings, and was informed that no provision had been made by the Road with any of them, for its interest.

We were so well satisfied that a mistake had occurred, either by miscarriage or from some other cause, and that it was not an intentional failure on the part of the Road to provide for its interest, that upon consultation with Mr. Catlin, and others, we determined to advertize the payment of the interest, on presentation of the coupons at our office, and immediately prepared a notice and had it sent to several of our city papers, with orders to have it inserted in their first issue.

Thus the matter stood, until the 11th inst., when we received a telegraphic despatch from Mr. Smith, enquiring, "Why the Bank of the Republic did not pay their coupons, funds having been provided for that purpose."

It was not until we called at the Bank, that we were aware the Road had made its coupons payable at this Institution. The Cashier, in reply to our enquiry, stated that the "Horicon Road had $10,000 deposited with them, and had given orders to pay their interest, which he said they had not refused to do, whenever it had been demanded, and should not, so long as the funds lasted."

But that this gentleman was mistaken, (innocently we doubt not) and that repeated demands and refusals had been made, will be seen by the statements of some of the first and most respectable Houses in this city, which are herewith enclosed, and which is but a small part of the testimony on this subject that could be adduced, had we the time and inclination to look it up.

The statements which we herewith send you are quite sufficient for our purpose, and we leave Mr. Smith and the Bank of the Republic, to settle the matter in their own way.

The injury which has been done on the Road by these errors of its agents here, will not very seriously effect its credit. We have taken great pains to explain the matter to all who are in any way intrusted, and have taken occasion to say, as we fully believe that the Horicon Road, is among the best enterprises of the kind in Wisconsin; and if properly managed, must prove very remunerative to its Stockholders.

In conclusion, we will say, had Mr. Smith awaited the receipt of our communication by mail, which we advised him by telegraph had been sent, and which contained a full explanation of the matter in dispute, he would have seen, as we trust you now do, that we were perfectly justifiable in the conclusion we came to, *if we were* unwise in bestowing a favor, where it could not be appreciated.

We are very truly yours,
W. J. BELL & CO.

From Messrs. Decoppett & Co.

For two or three days after the 1st of January instant, quite a number of persons called upon us to enquire where the interest on the Bonds of the City of Milwaukee, issued to the Milwaukee and Horicon Rail Road, were payable, and we referred them to the Bank of the Republic. Several of these persons returned to our office with the statement that the Bank refused payment.

We make this statement at the request of Messrs. Wm. J. Bell & Co., Bankers of this city.

From Collector of American Exchange Bank.

New York, Jan. 19, 1856.

I, Wm. R. Earle, one of the Collectors of the American Exchange Bank, do hereby certify, that between the 1st and 10th of January instant, I presented at the Bank of the Republic, the Coupons of the Milwaukee and Horicon R. R. Co., the payment of which was declined.

W. R. EARLE.

From Marie & Kanz.

New York, Jan. 17, 1856.

Messrs. Wm. J. Bell & Co.

Gentlemen:

In reply to your enquiries, we have to state that on the 3d instant, we sent our boy to the Bank of the Republic, with 20 Coupons of the City of Milwaukee (being Coupons on 10 bonds of $500 each, issued to Milwaukee and Horicon R. R Company) and that in the first instance the Bank declined paying, stating that they were not payable there. We again sent him there, and on the second application payment was obtained.

Yours respectfully
MARIE & KANZ.

From Atwood & Co.

New York, Jan. 18, 1856.

Gentlemen:—Yours at hand and in reply beg to say that quite a number of parties presented to us on the 2nd instant, the Coupons of City of Milwaukee bonds, issued to Milwaukee and Horicon R. R. Co., and were directed by the writer to the Bank of the Republic, where same were made payable, and that two or three of said parties returned again to the writer with the said Coupons for information, saying that the Bank of the Republic *declined to pay.*

Yours truly

Horicon—The Winter House—Milwaukee and Horicon Rail Road—Important Improvements—Connection with Fond du Lac.

Horicon, Jan. 28.

Messrs Editors:—Since the opening of the La Crosse and Milwaukee Rail Road to Horicon, a new impetus seems to have been given to all departments of business here. You may witness it in the hurried step of the merchant and the business man in the merry ringing of the hammer upon the anvil—in every avenue of trade—all betokens progress, and the dawning of a new era in the business relations of her enterprising inhabitants. Indeed, the shrill whistle and ponderous tread of the locomotive oftentimes quickens into life and activity the sluggish wheels of business, and gives a new impetus to trade where, else monotony had gained sway. This, to a casual observer, appears to have been the effect produced here, and dull care is driven to the winds.

Situated as Horicon is, at the foot of a vast reservoir of water in the lake stretching northward for a distance of 12 miles, and dealt out to its inhabitants through the channel of Rock River, forming one of the best water powers in the State, there can be no earthly reason why it may not add vastly to its wealth and prosperity in the way of manufactures. And indeed, I am happy to learn that the initiatory steps have already been taken for cutting a canal along for some distance on the South side of the river, for the purpose of supplying Mills and Manufactories with water from the inexhaustible reservoir above, and that an Iron Foundery, among other improvements, will be put in operation there in the course of the next season, by Mr. A. Skinner, of Jefferson County, New York, who, as a gentleman and as a business man, will be an acquisition to the place. Men and means will not be wanting to add to the onward progress of a town, possessing within itself all the natural advantages for an accumulative and healthy business that this thriving town presents to the enterprising capitalist.

Among the attractions which have sprung up, as if by magic, in the beautiful village of Horicon, is the "Winter House," which has already been voted by the travelling public, one of the "institutions" of the place. Without entering into a detailed description of the House, which has so recently been done by your Reporter, suffice it to say, that from the gentlemanly proprietor, Mr. L. N. Clark, down to the waiters, everything is in order—not omitting to mention, for his suavity of manners and attention to his guests, that office Clerk, known as John Hancock—not the immortal, whose name stands out in such bold relief, as one of the signers of the "Declaration"—but formerly a "Typo," and I doubt not a true "chip off from the old block." The house is neatly furnished throughout from the celebrated establishment of Messrs. Noyes, Flertzheim & Co., of your city. The rooms are commodious, the beds clean and nice, and the table not to be surpassed either in city or country.

The Milwaukee and Horicon Rail Road, which three years ago was doubtless looked upon by many as a visionary project, is progressing rapidly, and will connect at Burnett, 5 miles from Horicon, with the Valley Road in a few days. Indeed, the Superintendent, Jesper Vliet, Esq. is confident that the connection will be made by Monday next, and that passengers will thus be enabled to run through to Fond du Lac, all the way by rail, on that day. Only two miles of staging will then be required to reach Waupun from Chester, and in less than thirty days, the Superintendant anticipates the track will be completed to Waupun.

Nor can I well overlook the improvements which the superintendent has introduced in the construction of this road. Mr. Vliet having very wisely been entrusted with the financial management of this road as well as its Superintendency, has availed himself of several practical improvements, among which is the use of the high rail, an invention of Commodore Stevens, for many years connected with the Camden and Amboy Railway, and which has been thoroughly tested on that road.

This rail is 4½ inches high, or one inch higher than the ordinary rail, and of course is capable of sustaining a heavier load without giving, than the common rail. Mr. Vliet has also invented a *chair*, with which this rail is laid, that is no doubt an important improvement. The chair is so constructed that it acts both as a *bearer* and a *brace* about midway in the depth of the rail, and is let through the ends of the rail by "slots," or mortices, thus giving the rail a bearing of six inches instead of three, as by the ordinary chair. It also saves the ends of the rail from the usual battering which is consequent in the use of other chairs. He has also adopted an important improvement in the construction of the "frog," where the train is switched off—less liable to accident, and much more complete every way, but which it is difficult to describe in this letter.

The Depot grounds of the road are ample and finely located, and the turn-table, already completed, is an improvement on any I have ever noticed. It is so equally balanced and admirably constructed that one man can work it with a Locomotive upon it with apparent ease.

Mr. S. F. Greeley, who is already on hand as Conductor, is courteous and will no doubt make an efficient and popular conductor, for a very popular road.

The De Bar Tragedy—The Supervisors of Washington County.

Barton, Jan. 24, 1856.

Messrs. Editors:—As the De Bar tragedy is not entirely forgotten by all of those who respect law and order; it may not perhaps be amiss to let the public know something of the position taken in that matter by our County Board of Supervisors at their last meeting. And I cannot better define their position, as I would not do them injustice, than by making known their action on a bill presented by me for the burial of the body of George De Bar. The amount of the bill was nine dollars. After a long struggle and debate, I was allowed one dollar and seventy-five cents on said bill, notwithstanding I presented a receipt to said Board from Mr. E. Caldwell, showing that I had paid two dollars and fifty cents on the 8th day of August for one item in said bill, the shroud alone. But what has justice to do with men when blinded by prejudice and religious fanaticism?

Perhaps I cannot better illustrate the existence of this principle in some of that honorable body, than by giving the language of the Chairman of the Committee on claims *verbatim*, when asked by me why my bill was not allowed, the reply was this: "be jabers didn't De Bar deserve all he got? Didn't they do him good justice? He mint as well ben left hangin on the tree as any where else." I make the above statements to show the high state of refinement and morals existing in this County. And be it remembered that the honorable gentleman to whom I allude, is Chairman from a town that gave a clean Barstow vote at the last election. Oh! the blessings of such pure democracy. Who would not be willing to pay a tax of six and one-half per cent. to live under such a government? Those that have never lived where this great principle has the entire ascendency, as in this county, cannot fully appreciate its blessings.

Perhaps any comments by me on this enormous bill of nine dollars would be out of place; but allow me to say that every honest and intelligent man, acquainted with the circumstances, has estimated the services rendered by me, worth from fifty to one hundred dollars.

But perhaps one reason why I am not entitled to any reward, is because I presumed to take it upon myself as a private citizen to bury in a respectable manner, this mangled mass of matter—once a human being; and that too after the authorities had *refused* to do their duty, and that too without the *aid* of His Excellency's troops! But I ought not to complain as I received my pay in a currency that I would not exchange for county orders or a *Silver Cup*; the approval of my own conscience, having only performed my duty to a human being, whose lot it was to fall by the hands of barbarians.

Yours
W. P. BARNES.

The State Canvass—Report of the Senate Investigation Committee.

The Senate Committee, consisting of Senators Taylor, Dunn, Smith, Barber, and Cobb, appointed to examine the returns of the late election in the Secretary of State's office, made their report yesterday. It consists of a statement of the returns as found by the committee without any comments respecting the course pursued by the State Canvassers. As a straight forward statement of the facts, entirely destitute of partizan bias it possesses great interest to those who are in doubt in regard to the charges made against the State canvassers; and we shall endeavor to lay it before our readers to-morrow.

From this report we learn that the official returns, made in accordance with the law, foot up, Bashford 36,373; to Barstow 35,527—leaving Bashford 849 majority. Door county in these footings is excluded along with the other supplimental returns. This supplement however, rests upon an entirely different footing from the other supplements, which have never been before the boards of county canvassers, and bear all the evidences of collusion and fraud. Admitting this among the official returns, and Bashford is elected by the official returns, as they are now filed in the office of the Secretary of State—saying nothing about the fraudulent vote of Waupacca county, nothing about the 127 Bashford majority legally returned from the Mukwa canvass in that county and thrown out by an arbitary and unjust decision of the partizan board of State canvassers—*by a clear majority of four hundred and thirty votes.*

Such are the facts disclosed by this report, and such is the monstrous and crying injustice which has been perpetrated—the iniquity and fraud by which the majority of the people of Wisconsin have been disfranchised, and to prevent any investigation into which, the law's delay, the collusion of public officers, and every artifice which cunning can invent and villainy dare attempt, is now invoked. There is no denial of the frauds—not the most attenuated ghost of a pretence that Coles Bashford did not receive several hundred majority of the legal votes cast on the 5th of November last—nothing but the insolent shameless, and brutal boast that Barstow has got possession of the office, and that by the aid of the weak old man, the present Attorney General, a pliant instrument in his hands—"a mere nose of wax" which Wm. A. Barstow can turn and twist, pull out or flatten as he will—there may be a systematic series of delays devised, by which the execution of justice may be put off for two years, when the time of office will have expired, and justice itself have become a mere vagary.—*Madison Journal, Jan. 25.*

Going it—One Hundred and Seventy Thousand Documents ordered.

The *Argus* charged us the other day with being actuated by an improper motive in making some exposures respecting the orders for printing by the Assembly, and intimated that equally large orders had been made when we were interested in the public printing, but that we were silent then. This is not so. No preceeding Legislature has approached this in the extravagance of its orders for public printing. The orders have been made so that it must well be doubted whether the verdant members have the slightest idea of what they had voted for. The House alone has ordered the enormous aggregate of **142,900** documents. These orders, together with the 1100 copies provided for by law, amount to 10,100 copies of the Message and Documents besides 15000 copies of the message separately ordered. The Message and accompanying documents include fourteen distinct documents. In the Senate yesterday, by the aid of one Republican vote, that of Senator Sutherland from Rock—and the united strength of the Democracy, an order of 2000 additional copies of the message and documents was pushed through, swelling the number of documents ordered by both houses to AN AGGREGATE OF ONE HUNDRED AND SEVENTY THOUSAND NINE HUNDRED COPIES! Were the members now to distribute these documents among their constituents, as they are supposed to do in theory, the postage on each document would not average less than three cents per copy, which would add from $5000 to $6000 more to the cost of these orders.

The assumption is that the people, by electing a "Democratic" Assembly, have repudiated the economical policy of the Legislature of '55, and declared themselves in favor of the most profligate expenditure of the public treasure. The present Legislature are showing themselves admirably qualified to act upon this practice.—*Madison Journal.*

J. C. NILES says:

"I expect to sell great quantities of your bitters this year. Many of my customers speak very highly of its good qualities, having proved itself most an *excellent Fever and Ague preventative, a great purifier of the blood*, and the very best thing on record to aid digestion and create a good natural appetite. In short, I am sure it is one of the very best medicines known for family use, being safe and pleasant for any one to take."

O. L. D. CROCKWELL says.

Anamosa, Iowa, May 1, 1854.—"The Bitters give unbounded satisfaction to all that have used them, and I do and can always recommend them to all that are afflicted. They have cured many cases of Dyspepsia, some of them where hundreds of dollars have been spent for remedies which afforded no relief, and were considered incurable until they used the Bitters." Letter from Hon. John Minor Botts, of Virginia.

Richmond, July 9th, 1855.

Messrs. Wm. S. Beers & Co.,

Gentlemen:—Considerations of duty to the afflicted alone prompt me to send you this voluntary testimonial to the great value of CARTER'S SPANISH MIXTURE, for that almost incurable disease, Scrofula.

Without being disposed, or deeming it necessary, to go into the particulars of the case, I can say that the astonishing results that have been produced by that medicine on a member of my own family, and under my own observation and superintendence, after the skill of the best physicians had been exhausted, and all the usual remedies had failed, fully justify me in recommending its use to all who may be suffering from that dreadful malady.

I do not mean to say that it is adapted to all constitutions, or that it will afford the same relief in all cases; for of course, I can know nothing about that—but from what I have seen of the effects, I would not hesitate to use it in any and every case of Scrofula, with persons for whom I felt an interest, or over whom I could exercise influence or control.

Respectfully yours,

WHY FEMALES SUFFER IN HEALTH.

THE MARRIED WOMAN'S
PRIVATE MEDICAL COMPANION

BY DR. A. M. MAURICEAU,
PROFESSOR OF DISEASES OF WOMEN.

One Hundredth Edition (500,000) 18mo., pp. 250.

A standard work of established reputation, found classed in the catalogues of the great Trade Sales of New York, Philadelphia, and other cities, and sold by the principal Booksellers in the United States.

Every woman can here discover, by comparing her own symptoms with those described, the nature, character and cause of her complaint, and be spared much anxiety and suffering, as well as the unpleasantness of making known to, or making inquiry of, a physician in respect to the numberless ailments to which she is subject. The wife about becoming a mother has often need of instruction and advice in respect to her situation, which she will here find. This book tells her what is the matter, and tells her what to do for it, in simple but chaste words, and such as she can understand.

Those suffering from obstructions or irregularities peculiar to the female system, or from *prolapsus uteri* (falling of the womb), or from *fluor albus*, will each find in its pages the means of prevention, amelioration, and relief.

Much distress of mind, as well as thousands pecuniarily, might be saved to every husband, if the simplest laws appertaining to the marriage state were better understood. That they are not better understood is traceable to that natural and almost commendable sensitiveness that will rather suffer than consult or converse with even a medical man in respect to complaints peculiar to the female only.

In a copy of "*The Married Woman's Private Medical Companion*," every female has a physician that knows and describes her every symptom, feeling and ailment, and which she can consult at all times without violence to her sensitiveness.

[Extract of a letter from a gentleman in Dayton, Ohio.

Dayton, May 1, 1847.

Dr. A. M. Mauriceau—*My Dear Sir*—My wife has been perceptibly sinking for some three years or more, in consequence of great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was on the last occasion despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and perusal I cannot express to you the relief it afforded my distressed mind, and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. But for this, ere another year would have passed over my head, in all human probability my wife would have been in her grave and my children left motherless.

☞ Upon receipt of One Dollar, "The Married Woman's Private Medical Companion" is sent (*mailed free*) to any part of the United States, the Canadas, and British Provinces. All letters must be post paid, and addressed to Dr. A. M. Mauriceau, box 1224, New York City. Publishing Office, No. 129 Liberty Street, New York.

There are three persons awaiting trial for murder in the first degree—Henry Schumaker for the murder of J L Prevo; Johan Pelner for the murder of Herman O Adams, and John B Spencer, for the murder of John Singer.

There were, on Saturday, but thirty nine persons confined in the jail, a small number compared with the general contents.

SACRED MUSIC.—Mr T C MASON, (of this city) will lecture on Sacred Music, in the basement of the first Presbyterian Church, corner of Milwaukee and Mason streets, this evening, at half past 7 o'clock.

Mr Mason has been engaged for more than a quarter of a century in teaching and lecturing on music. We welcome him to Milwaukee as a permanent resident, and those who attend his lecture to night will be instructed as well as interested. The public are invited to attend. ADMITTANCE FREE.

COMMON COUNCIL.—The Common Council held a special meeting on Saturday night. The principal business transacted was the passage of an ordinance for the issue of $95,000 in city bonds to the Watertown Railroad; also the passage of a resolution instructing the city members of the Legislature to procure the passage of a bill empowering each Ward of the city to purchase and improve lands in their respective Wards, not to exceed $100,000; provided that the city be not in any way made liable.—Council adjourned to next Saturday week.

LA CROSSE AND MILWAUKEE R R.—NEW ARRANGEMENT.—The advertisement of the La Crosse and Milwaukee R R Company will attract the attention of the traveling public. Two passenger trains now run over this road, daily, each way, affording the quickest and cheapest route to all Northern and North Western Wisconsin. The road is in good order, the cars spacious and elegant, and the management all that could be wished. The road is doing a very heavy business.

AMENDMENTS TO THE CITY CHARTER.—In addition to the amendments, &c. to the City Charter noticed in the *Sentinel* of Saturday, we understand that it is contemplated to elect the Mayor for two years, and to give him the veto power, requiring in case a bill is vetoed a two-third vote of the Common Council to make it an ordinance. There are other amendments, &c. contemplated, which we shall notice from time to time.

MUSICAL SOCIETY CONCERT.—The sixty first Concert of our Musical Society will be given at Young's Hall this evening. The Programme may be found in our advertising columns. It is needless to urge our readers to attend these Concerts, for all who appreciate good music go there of course.

For the past few days the principal halting place on East Water street, has been at No 201, before a new and attractive show of Portraits bearing the modest inscription "BROWN'S PHOTOGRAPHY." Stop with the crowd and participate in their admiration. See those rich toned miniatures, so perfect in delineation, so natural in position, so graceful in drapery, and so rich in tone and finish, that you are at once satisfied they come from the hand of an artist who has left behind the school of *chance* success for habitual *certainty*. Observe the easy attitude, the graceful *pose* and congratulate the human family of parents, brothers, sisters, cousins, lovers, that they can henceforth possess in one a faithful portrait and a pleasing picture. They are taken from miniature to life size, and Brown is now finishing some in water colors, cabinet size, which are exquisite gems. Our friends who have seen his style of portraits in the rooms of Whipple & Black, or Massury & Silsbee, Boston, and Gurney, or Root of New York will need no urging to go to BROWN'S. jan29d843lt

SURGICAL OPERATION,

By Doct. H. STARK.

ALTHOUGH this freak of nature has perplexed and put to defiance the ingenuity of the combined intelligent universe, he promises to so effectually cure as to make it impossible for those submitting to his treatment to stutter if they try. The afflicted will be safe in giving him a call as he will in no case whatever receive a person's money without giving satisfactory evidence of a permanent cure.

Ladies and youths treated at their residences if required.

Dr S has taken rooms at the New York Hotel, East Water street, (east side) Milwaukee, where he may be consulted free of charge, for this week only.

HOW TO RAISE MELONS,

And how to Preserve the Plants when young, from Bugs and Worms.

To FARMERS

I WOULD call your attention to a subject which may interest many of you, and is of considerable importance to you all, which is the culture of the Water Melon. I have made this my sole business for several years—believing that if I succeeded in growing this desirable and delicious fruit, and making it, by culture and choice of soils best adapted to its growth, as sure as that of other crops and also to secure it against its enemies—the little yellow and striped bug and the corn or cut worm, I should accomplish much to be wished for.

I am now gratified to be able to announce to you my

COMPLETE SUCCESS.

One of the causes of the failure of the Melon crop, is on account of the bugs and worms (of which, probably, you have all had sad experience). I have succeeded in securing the plants against these pests, as safely as though they were not in existence and in a manner, too, perfectly in accordance with nature. I have experimented rather largely on the old system of preventing the bugs from destroying the plants, but it seemed that the plans adopted if anything were effectual would injure the plant or was too expensive. I adopted an entirely new method, which is this: I watched the habits of the bug in order to discover what food they preferred. When I discovered this I gathered the seeds of this plant and planted them between every second or third row of melons. The bugs abandoned the melons for this plant, and they were left to grow as safely as though the bugs were not in existence. The expense is but trifling—being about two hours' work on an acre. The method of securing the plant against the corn worm is quite as simple.

It is not necessary to say more on this subject, but I now offer you the direction for the highest culture of the Water and Musk Melon, and the secret of protecting them from their enemies, and also a sample of FIVE VARIETIES OF THE WATER AND MUSK MELON SEEDS, which are, I believe, (viewing them in all their qualities,) the best grown in the United States. Three of the Water and two of the Musk Melons; one of the latter being a nutmeg or cantelope variety. The Water Melons are so selected that they succeed each other in ripening about two weeks; one of them ripens about two weeks earlier than any that I have ever seen. This early melon can be grown as far north as any corn can be grown, for it is a rapid grower and a profuse bearer, and the best melon I ever saw or enjoyed the pleasure of eating. I have been to considerable expense in experimenting and in the selection of the choicest varieties of seed and also the expense of advertising to acquaint you with these facts, and I cannot do it without a price.

Farmers, I know this is valuable, and I believe that you want it, and I cannot charge you less than a dollar. Gentlemen, you that want this, send along your orders—enclose a dollar and you will receive in return, the secret for protecting the plant from its enemies—the seed and the directions for their highest cultivation.

If I do not receive a sufficient number of orders to reward me handsomely, I will reserve the right to return every man his dollar instead of the directions. I would say to those persons who have forwarded their orders that they will receive the directions in good time for planting, or receive back their money. Address

The Defeat of Faustin.

NEW YORK, Jan 26

A letter of Dec 30, from Port au Prince in the Evening *Post* gives the details of the defeat of the Dominican army by the Haytian army from which it appears that the army under the immediate command of Calogone, 18,000 strong, was put to flight by only 4000 Haytians. The Emperor is said to have had with him in his chest 200 000 in currency and 80,000 dollars Spanish all this loss with the guns, ammunition and provisions and other baggage and money, the retreating troops having thrown away their arms. The Emperor is said to have reached Honheit, a small place sixty miles from the cape, with about one thousand men.

BALTIMORE, Jan 26

New Orleans papers of Saturday last week came to hand, they contain dates to the 15th inst, weather was very cold there and at Austin. Advices from the Rio Grande report the Mexican frontier quiet. A Sea Serpent had appeared off Corpus Christi.

PHILADELPHIA, Jan 26

This afternoon as a large company were upon the Delaware River, opposite the upper part of the city, the ice gave way, carrying down a sleigh containing a gentleman and four ladies. One of the ladies, a widow by the name of Mance, of Albright, was drowned, the others were rescued.

NEW YORK, Jan 26

The weather is still intensely cold, and our river navigation is greatly impeded by ice. *Staten Island Sound* is completely frozen, from Elizabethtown Point to Bentley's dock, and the teams are crossing over from Jersey to Staten Island in every direction.

PITTSBURGH, Jan 25

GEORGE W CASS was elected to day by the Stockholders, President of the *Ohio & Pennsylvania* Railroad. A resolution was passed favorable to the immediate completion of the bridge over the Alleghany river to make the connection with the Pennsylvania Central R R.

NEW YORK, Jan 26

HAYTI NEWS.—The *Times* has private letters from Port au Prince to the 30th of Dec, giving us full particulars of the Emperor's defeat and flight. His army consisted of about 30,000 men, which was divided into three detachments. The army from the north, under Paul Decossa, consisting of 7,000 men, took a southern route. Nothing is known, except that after crossing the line they were met by a body of Dominicans, and the Jacmel Regiment, which was in advance, broke their lines after the first fire, and precipitated themselves upon the rear, and produced a general rout of the whole regiment. The force under the immediate command of the Emperor amounted to about 18,000 men. When near Lascahobas, in an open plain, bordered by a piece of woods, they came upon a body of Dominicans, when a conflict occurred, and the Haytians made a precipitate retreat, throwing themselves upon the main body of the army, which was simultaneously charged by the Dominicans. A general retreat of the Haytians now ensued, leaving the emperor and his staff almost alone. Several of his staff officers lost their lives in defending him.—The emperor is said to have reached a place about 60 miles from Cape Haytien, with only 1,000 men.

NEW YORK, Jan 26

THE CASE OF JOSEPH C EBLING, commissioner of streets and lamps, charged with corruption in the administration of his official duties, was called by the District Attorney, for trial, yesterday, in the Court of Sessions. The indictment charged Mr Ebling, in his official capacity as commissioner of streets and lamps with having entered into an agreement with Smith, Sickel & Co, proprietors of the street sweeping machine to use his influence to procure for them a contract for the street sweepers of the city of New York, for a certain consideration to wit: that if Smith, S & Co, should obtain any sum over $110,000 for the job Ebling was to be paid the surplus, he having previously stated to them that he should endeavor to have $170,000 appropriated for that purpose. Testimony was taken, and the defence will proceed to day.

NEW YORK, Jan 26

The Staten Island ferry boat Columbus while on her passage up this noon, with a large number of passengers, was cut through by floating ice and sunk near the mouth of the East River. Her passengers were all saved by getting on the ice, whence they were taken in small boats to the dock.

DEFEAT OF THE EMPEROR FAUSTIN I.—From Captain Barnaby, of the schooner Ellen, which left Port au Prince on the 1st of January, the Philadelphia Exchange has received advices fully confirmatory of the previous account of the defeat of the Haytiens, with the loss of between 200 and 300 soldiers with many of his best officers, besides all his munitions of war, provisions, and the Emperor's military chest, containing all the funds intended for the prosecution of the war.

Faustin I had marched 30,000 men against the eastern side of the island, and his defeat is represented as most complete.

Captain B states that Faustin had escaped from the battle, but his place of refuge was unknown, and General Santander had offered a reward of 10,000 doubloons for his head. So great was the feeling against him, that it was the general opinion of the inhabitants of Port au Prince, that, if his sable majesty escaped falling into the hands of the Spaniards, he would be killed by his own people.

ROTTEN CRIMINAL JURISPRUDENCE.—The legislative Committee appointed last winter to inquire into the modes of procedure in criminal jurisprudence in this city has commenced its labors. Testimony has been taken from one Police justice and two ex justices. According to this testimony, no bond to keep the peace was ever presented, and no action against a keeper of a house of prostitution was ever carried out to conviction. The system of cheating prisoners at the Police Courts, as revealed by this testimony, seems to be almost perfect. The prisoner, if he has money, is carefully protected by the keeper of the prison from the depredations of the common herd of lawyers and obliged to accept the services of some "Shyster," who will divide forty per cent of all that he can frighten out of the poor fellow, between the policemen and the keeper or the man on. If the victim has money enough to make it worth while to prolong his sufferings, he is introduced to a professional bail man, who will give him his services for a comfortable consideration. This craftsman does a large business on a small capital, he may be worth $1 000, and be bail in a hundred cases to the extent of $50,000. Shocking testimony was also given in regard to the manner in which brothel keepers, and policy venders, are permitted to escape justice by paying black mail to the police and other officials.—*N. Y. Mirror.*

MAN FROZEN TO DEATH.—On Monday evening the body of Thomas Murphy, of Lewiston, was brought into Portage by Mr Perkins, of the town of Leeds, where it had been found the day before by his two sons, who were returning from the Lodi Mills. On the inquest which was held by Coroner Cook, the body was fully identified, and it appeared that the deceased had left home for Madison on Monday, 7th inst, for the purpose of procuring a loan from the School Fund, and must have perished that day or the next. He had fallen in a great hollow about 50 rods from the main road to Madison, and when found was partly covered with snow. No marks of violence were discovered upon him and it was the opinion of the Jury and the medical gentlemen who made the examination that he came to his death by freezing, and a verdict to that effect was rendered.—*Badger State, 24th inst.*

Helmbold's Genuine Preparations.

HELMBOLD'S HIGHLY CONCENTRATED
COMPOUND FLUID EXTRACT BUCHU,
FOR DISEASES OF THE BLADDER, Kidneys, Secret Diseases, Strictures, Weaknesses, and all diseases of the sexual organs, [illegible]

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of quacks who start up every day in a city like this, and fill the papers with [illegible] [illegible] well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known. It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease, and unlike other remedies, does not dry up the disease in the blood.

Constitutional debility brought on by self abuse, a most terrible disease which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found acting both as a cure and preventive.

HELMBOLD'S HIGHLY CONCENTRATED
Compound Fluid Extract Sarsaparilla

For purifying the blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of scrofula, salt rheum, scald head, ulcerations of the throat and legs, pains and swellings of the bones, tetter, pimples on the face, and all scaly eruptions of the skin.

This article is now prescribed by some of the most distinguished physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary syphilis, mercurial and scrofulous diseases have entirely recovered in the incurable wards of our public institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases after the glands were destroyed and the bones already affected.

NOTICE.—Letters from responsible physicians and professors of several medical colleges, and certificates of cures from patients will be found accompanying both preparations.

PRICES.—Fluid Extract of Buchu, $1 per bottle, or six bottles for $5. Fluid Extract of Sarsaparilla, $1 per bottle, or six bottles for $5—equal in strength to one gallon of syrup of sarsaparilla.

Prepared and sold by H. T. HELMBOLD, Chemist, 263 Chestnut street, near the Girard House, Philadelphia.

To be had of
And of druggists and dealers everywhere.

MISCELLANEOUS.

THE NEW YORK TRIBUNE, 1855-6

THE TRIBUNE is now in the middle of its fifteenth year. Vol. XV of its weekly issue commenced on the 1st of September last. The American public need not now be made acquainted with its character or claims to consideration. With but a subordinate regard for prudence, policy or popularity, it has aimed to stand for Righteousness, for Truth, for Humanity, against fortified Iniquity, Fraud and Oppression. There is not a slave trader on this Continent, though he may never read anything but his bills of sale and notes payable, who does not know and hate THE TRIBUNE; there is not an extensive manufacturer of drugged and poisonous Liquors who does not consider it a very dangerous and immoral paper, and wonder why its publication is tolerated in a commercial, cotton buying City like New York. The NEWARK MERCURY once for [illegible] remarked that it had never known a hard grinding, screwing, avaricious employer who was not hostile to THE TRIBUNE, nor one eminently generous and kindly who did not like it. Prompt and plain spoken in its denunciations of iniquity and abuses of power, while claiming no exemption from human fallibility, it may have done temporary injustice to individuals, but it has never been unfaithful to Principle nor deaf to the cries of the wronged and suffering. In its columns the advocates of novel and unpopular theories contemplating the melioration of human woes, especially [illegible] of the voiceless and down-trodden, have ever found [illegible] audience and fair play, while it has ardently resisted and will persistingly combat every attempt to proscribe and degrade any class because of diversities of Nativity, Creed, or Color.

In little more than a dozen years the most atrocious and of hostilities the most deadly and untiring, THE TRIBUNE has grown steadily in public appreciation from the day of its [illegible]. Its means of serving the public have been augmented in proportion. Instead of a single editor with one or two assistants, its organization now comprises a numerous body of writers, each fitted by special accomplishment and experience for the particular line of discussion to which his pen is devoted. The daily amount of reading matter gives more than quadruples that of its earliest issues; a staff of valued correspondents encircles the globe, transmitting early and intelligent narrations of whatever is most worthy of attention, while Politics, Legislation, Literature, Art, History—in short, whatever affects the social well being of mankind, Polemic Theology alone excepted—has shared the great and most searching discussion.

Attached by profound conviction to the beneficent policy of Industrial development and Internal Intercommunication, whose most conspicuous champion through the last Half Century was HENRY CLAY—imbued moreover with a spirit of forbearance toward our weaker neighbors, and toward the most wronged Aborigines of this Continent, and of peace with All which will hallow the name of Whig, THE TRIBUNE, while surrendering no jot of its own independence, cooperated earnestly and ardently with the Whig party so long as its vitality was preserved. When in 1850-2 an attempt was made to interpolate slave-hunting into its creed, we sternly resisted that imposition, which, at the close of the last Presidential canvass, was [illegible] portion of the Whigs preferred to defeat their own party rather than allow its Anti-slavery wing to share its triumph even under a conservative Chief. [illegible] we knew and proclaimed that the Whig party was no more. Subsequent events, including the rise and culmination of the Know Nothing conspiracy, and the speedy absorption therein of the whole force of Pro-slavery Whigism, only confirmed our undoubting anticipations. With no sickly lamentation, therefore, for the inevitably bygone, but with hope, [illegible] words of cheer, have we hailed the beginning and watched the progress of that [illegible] REPUBLICAN movement which, impelled by the perfidious violation of the Missouri Compact, and stimulated by the astounding outrages whereof the rights of the Free settlers of Kansas have been the victims—by their rights and utter violation of their elections by an armed mob collected by conspiracy and hurled suddenly upon them from the border counties of the neighboring Slave State is destined to sweep away the landmarks of old [illegible] feuds and unite the true hearts and strong arms of the free soiled in one mighty effort to confine the scourge and scandal of our country within the limits of the States which unwisely uphold it. To the success of this effort the energies of THE TRIBUNE will be sternly devoted, while the TEMPERANCE REFORM, including the entire suppression of the Traffic in Intoxicating Beverages, will find in it as it hitherto has a true and unshrinking champion.

Commencing as a daily folio sheet of moderate size and with scarce a shadow of patronage, THE TRIBUNE is now issued in quarto form DAILY (three distinct editions), SEMI-WEEKLY and WEEKLY, on a sheet 44 by 84 inches, comprising 8 pages of six columns each. Its circulation has steadily grown from nothing to the following aggregates:

Daily (this evening and morning)	20,000 copies
Semi-Weekly	14,175 "
Weekly	137,750 "
California edition	6,000 "
Total	187,425 copies

We believe no other newspaper in the world has a subscription of over half so large as this, and no periodical of any order a rival to it. And while [illegible] [illegible] express rendering the increase of paying readers only an indirect pecuniary advantage to us, has doubtless largely swelled its subscription list, it would be absurdity not to perceive in this unprecedented patronage some evidence of public approval and esteem.

TERMS

THE TRIBUNE employs no traveling agents and sends out no papers on trust. If it is not stopped when the term paid for expires, and the subscriber does not choose further to pay for it, we resort to no legal process to compel him. On the weekly, we mean to stop every paper on the expiration of the advance payment, awaiting a fresh remittance from the subscriber. If none come, the account is closed. We pay no local agents; [illegible] no money paid to any when the paper came to them to mail to others. [illegible] send it to us, once mailed its safety is at our risk, and [illegible] loss is often proves but are grateful to every one who deems it a good work to obtain and forward the names and money of his friends and neighbors. Our terms invariably are—for the

IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.

In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes and a Machine for making Bolts, and are now putting in a Steam Engine of — horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine Engine and Blacksmithing business. They never were in a better position for doing business, and

the Proprietors refer to that successful operation through the country as their best recommendation, as it can speak for itself. All they can say is that they are both PRACTICAL MECHANICS and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING, and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS such as GUAGE AND CYLINDER COCKS, OIL CUPS AND COCKS AND STEAM WHISTLES. Also TURTON'S FILES which they will sell at the lowest cash price.

They are also Agents for FAIRBANKS PATENT STEAM GUAGES, which are well worth the attention of all those who use Steam Engines.

In conclusion they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

MEDICAL.

R. R. R. LIFE AND DEATH.

THE
Mysteries of Disease Laid Open to the People.
Health is the Principle of Life—Disease is the Principle of Death

The R. R. R. Remedies possess the great power to secure to the human system health and long life, and free the human family from pains, aches, and all bodily infirmities.

THE ART OF PRESERVING HEALTH AND THE METHOD OF CURING DISEASE
BY THE R R R'S.

RADWAY'S READY RELIEF

IS TO BE USED in all cases where there is pain. The moment it is applied externally, or taken internally, it will allay the most torturing aches, pains, cramps, spasms, burns, scalds, &c., quicker than Morphine, Chloroform, Veratrine, or any other anodyne or remedy that has ever been used by medical men.

It is safer than these dangerous remedies. The public will bear in mind that Chloroform, Morphine, Opium, &c., only stifle the pain by stupifying the senses, so that the perceptive faculties lose the power of feeling; and that after the influence of these anti-[illegible] has passed from the system—the pain again breaks with with its terrible pangs with renewed violence.

Radway's Ready Relief stops the pain and removes the cause of the disease that occasions it; it infuses new life into the weak and diseased parts. It braces the nerves, and establishes in the system a reaction of health and strength in the place of pain, weakness and disease.

As a counter Irritant, Radway's Ready Relief applied to the surface of the body where there is any inflammation or congestion, it will instantly scatter the congested blood, equalizes the circulation and in a few minutes the most excruciating pains are removed. This may be seen in cases of Lumbago, Gout, and Rheumatism in their most terrible forms, where an application of Radway's Ready Relief will restore the patient ease and comfort.

Crippled with Rheumatism, Arm and Leg perished—No hopes of his recovery—Timely use of R. R. R.—A wonderful cure

LETTER FROM ISAAC HUDDLESTONE
Rapids Parish, La., June 10th, 1855

Messrs Radway & Co.,—Radway's Ready Relief has cured Peter May of Rheumatism, when there was no hope of his ever recovering. I heard of his situation and I sent for him. His right arm and leg was all perished. He had no use of them at all, but by the use of your medicine, in two months he was carrying the mail from Cherryville to Burr's Ferry. I objected. He said he must do something for a living. It has been fourteen months since he was cured. He is now well and working on his farm, and the whole cost of your medicine was five dollars.

This great alterative Medicine and Purifier of the Blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines "CARTER'S SPANISH MIXTURE." For all diseases of the Blood, nothing has yet been found to compare with it. AYER'S PILLS.

"Wisdom shall bow down to it, and the great of the earth shall kneel before it."

Never could this be said with more truth, than it now applies to this remedy for affections of the Throat and Lungs. The exalted in learning and power acknowledge its supremacy, while both the little and the great can feel its benefits. The liberal minded among those skilled to cure are free to own its mastery over distempers which have baffled their art. Those of exalted stations are not ashamed to testify to its virtues, but deem it a duty and a pleasure to thus hold out the lamp of their experience to their suffering fellow men.

Witness the following
(Translation.)
Vermillionville, La., April 1853

Mons le DR. J. C. AYER.—I have of late made frequent use of your CHERRY PECTORAL in my practice, and am happy to inform you that in no case yet has it failed me. I have made some signal cures of Laryngitis and Bronchitis with it, and have completely cured one case of Asthma, which has withstood every other medicine I could employ. Accept, sir, the assurances of my distinguished consideration.

HARNDEN'S CONCENTRATED COUGH SYRUP.

FOR THE CURE OF
COUGHS, COLDS AND CONSUMPTION

THE Proprietors of this PURELY VEGETABLE AND TRULY VALUABLE SYRUP, claim for it no magic powers, nor do they offer it to the public as an antidote for all the ills and ailments of life—but solely as a remedy for COUGHS, COLDS, and diseases of the CHEST and LUNGS, in advanced as well as incipient stages. They WARRANT THE SYRUP PURELY VEGETABLE, and free from Opiate or Drug of any kind.

Unlike all other of the many advertised remedies for Colds and Consumption—the action of this Syrup is direct—hand in hand with nature—its benefits are immediate—not leaving the invalid time to regard it as an experiment, requiring slow process, in arresting disease, and restoring health. Ordinary Coughs and Colds generally yield within twenty four hours, while those of long standing, and which, through negligence or continued imprudence, have assumed more alarming symptoms, usually require the use of the Syrup from ten to twenty days. In cases of hereditary or constitutional character, and which, in many instances, have gained mental as well as physical possession of the invalid, more time is necessarily required, in arresting the disease—in eradicating the taint of blood—in restoring natural sleep and quiet of mind—and securing permanent benefit.

☞ In its highly concentrated form, one bottle of this SYRUP is equal to six times the quantity were it prepared in any other manner, and ☞ ONE BOTTLE WILL TEST ITS VIRTUES IN EVERY CASE. ☜

For the purpose of securing ourselves and the public against fraud or imposition, every agent for the sale of this SYRUP will be personally selected and appointed by one of our firm, or our general agent, and as a further safeguard, the directions accompanying each bottle will be signed by Mr. HARNDEN.

ENNO MEYER, No. 388 Third Street, Milwaukee, has been appointed GENERAL AGENT for the State of Wisconsin. For sale also by all the Druggists in Milwaukee.

MEDICAL.

DR. WEAVER'S CANKER & SALT RHEUM SYRUP & CERATE.

IT IS AN UNDISPUTABLE FACT THAT the above medicines are the only infallible remedies now before the public for cutaneous Eruptions, Salt Rheum, Erysipelas, Sore Legs, Ulcers, Old Fever Sores, Scald Head, Scorbutic Eruptions, &c., &c.

Cases that the most eminent Physicians have despaired of relieving, immediately yielded to their curative powers, and when used in accordance with the printed directions, which accompany each bottle, the Syrup and Cerate combined eradicates any of the above named diseases, and leaves the sufferer without a blemish. These medicines are too well known to require anything more than a plain statement of facts. The joyful intelligence is reaching us daily from East, West, North and South, of the wonderful cures they are preforming.

See what is said by those who have used these medicines.

The Rev. Samuel Henry, of Palmer, Mass., says, "they have done me more good than all the other medicines I have used for Erysipelas."

Capt. William Vail, of the steamer Granite State, says "they have cured my daughter of Salt Rheum and Scald Head of six years' standing. She was literally covered with sores, is now perfectly cured by the use of the Syrup and Cerate."

Dr. A. J. Johnson, of North Wardsboro, Vt., says, "a Scrofulous disease of the hip joint, and Scald Head in the same child, have been cured by the Syrup and Cerate."

Rev. August Bolles says "It has cured the Salt Rheum in my leg."

J. Harfield Frazer, Esq., editor of the Somerset Whig, Somerville, N. J., says "my mother has been completely cured of a severe case of Tetter of long standing, that had defied the skill of the best Physicians."

Hon. Joel Loomis, of East Lyme, Conn., says, "I was completely cured of Erysipelas in my legs, after a council of the best Physicians in the County had pronounced the disease incurable, (at my age which was seventy eight years) but Weaver's Syrup and Cerate did the work at once."

Elias Latham, Esq., of Orient, Long Island, N. Y., says, "I hardly know how to express my gratitude to you and your medicines. I have been afflicted for more than thirty years with Salt Rheum in its worst form. I tried several Physicians in New York, Brooklyn and Greenport. I have dieted and taken medicines enough to float a pretty large boat, but they did me no good. I have taken your medicines one year and am now able to work and sleep without an ache or a pain, and my neighbors say I am the sprightliest man on the Island."

The Rev. J. S. Swan, of New London says, I have used the Syrup and Cerate in my family for more than a year and I consider it completely adapted to sustain the high reputation that is claimed for it. I have seen it used in a number of cases for Salt Rheum and Erysipelas, with entire success.

Ask Seth Prisbery, of Taunton, Mass., what the medicines will do; ask William Barber, of Three Mile Bay, Jeff Co., N. Y., what the syrup has done for him; ask G. P. & W. H. Boynton, of Perkinsville, Vt., ask F. L. Kent, of Chicago, Ill., ask Martha Cottle, of Martha's Vineyard, Mass; ask Wm. F. Keables, or Wm. P. Benjamin, Esqs., of New London; ask Dr. H. M. Murdock, of Pulaski, N. Y., ask J. C. Smith, of Brooklyn, N. Y., who was cured of Scrofula, after losing his leg by the disease, and suffering for years, has been perfectly cured by the use of the Syrup & Cerate; ask Curtis Burrough, of Shelby, N. Y., who has been cured of a severe case of Salt Rheum; ask Chas. Akin of Hume, N. Y., what the Syrup and Cerate will do for sore legs; ask Winslow and Shafter, Merchants, Vergil, N. Y., what it will do for Fever Sores. In a word, ask every body who has ever tried these wonderful medicines, and the answer will be the same—THEY CURE.

TO THE MILLION!

READ AND JUDGE FOR YOURSELVES

PROFESSOR WOOD'S Hair Restorative is no doubt the most wonderful discovery of this age of progress; for it will restore, permanently, grey hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all Scrofula and other cutaneous eruptions, such as scald head, &c. It will cure as if by magic nervous or periodical headache, make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling to extreme old age. We could give the testimony of more than one hundred thousand to the truth of every word we have written. See circular and the following:

CARLYLE, Ill., June 29, 1855

I have used Prof. Wood's Hair Restorative, and have admitted its wonderful effect. My hair was becoming, as I thought prematurely grey, but by the use of his Restorative it has resumed its original color, and I have no doubt permanently so.
SIDNEY BREESE,
Ex Senator United States

VINCENNES, Ind., June 10 1853

Prof. O. J. Wood. Dear Sir—As you are about to manufacture extensively and vend your recently discovered Hair Restorative, I will state for whomsoever it may concern that I have used it and known others to use it, that I have for several years been in the habit of using other hair restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head from dandruff and with one month's proper use will restore any person's hair to the original youthful color and texture giving it a healthy, soft and glossy appearance, and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore recommend its use to every one desirous of having a fine color and texture of hair.
Respectfully yours,
WILSON KING

A gentleman of Boston writes to his friends in New Bedford, thus:

To your inquiries I would reply that when I first commenced using Professor Wood's Hair Restorative my hair was almost white, and had been so for the last ten years, and it was very thin on the top of my head and very loose and pulled out freely; but I found that before I had used the second bottle up (which was eight weeks) my hair was entirely changed to its original color (light brown) and is now free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen anything like white hair starting from the roots, and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish or ask.
Yours, &c., ——
July 1, 1854

GARDINER, Me., June 22, 1855

Mr Dyer. Dear Sir—I have used two bottles of Prof. Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was as grey as a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
Yours, &c.,
DANIEL N. MURPHY

Prof. Wood.—My hair commenced falling off some three or four years since, and continued to do so until I became quite bald. I tried all the popular medicines of the day, but to no effect. At last I was induced to try your celebrated Hair Restorative, and am happy to say it is doing wonders. I have now a fine growth of young hair, and cheerfully recommend its use to all similarly afflicted.

Prof. Wood.—As you are about to prepare and vend your recently discovered Hair Restorative, and as you request my opinion of it, I will state that my hair was a few months ago, very grey, and after using two bottles of your Hair Restorative, it assumed its original color, and since its application all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied those who use it will not regret it, as it gives the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair.
I am, sir, yours, &c.,
